May 2009: THESE COULD BE YOURS! Mark Jensen's aircraft are up for sale; more in text

From the Presidents Flight Box

VALE BRUCE JENNING - It is with some sadness that I advise members of the recent death of Bruce. The Club extends its deepest sympathy to Sue and Adrian.

AGM - The Club AGM will be held on Wednesday 17th June. Current positions will be declared vacant. Nominations should be forwarded to the Committee ASAP. Not having a committee for the new year is not an option, so please give the matter your urgent attention. We have a nomination for Treasurer at this time.

As your president I recommend that outstanding issues to do with Noise Policy at KAMS be tidied up and resolved at the forthcoming May meeting. The Committee have worked hard to have the following information available for the meeting –

1. Letter from Serpentine/Jarrahdale Shire
2. Letter from Hardy/Bowan, lawyers
3. Club By-Laws
4. Results of survey of members
5. Sound information booklet

THANKS – Ian Johnston has kindly donated a bar fridge which will be kept near the BBQ. This is a members amenity to help keep lunches and drinks cool especially in summer. Please do not leave food etc. in the fridge for other members to clean up.

THANKS – also go to Ian Dixon for the donation of metal fencing. We now have a facility to yard sheep, which will solve the problem of them eating our plants and damaging the grassed area.

AWA REPORT (K Greaves, E.Gooch)

AWA representatives were not present to give an official report. President gave an unofficial summary of the AWA meeting. Peter Brien was given the floor for 20 mins to give a presentation on the AWA and its activities including new field startups in Wanneroo (Whitfords MAC) and Merredin and the status of AWA/MAAA on a national level.

General Business From the Floor

Quad Bike: New Tyres are required. Mowing team given authorization to resolve. New blades have been fitted to the mower.

Front Gate: The gate that was bent during a vandalism attack has now been straightened but is stiff and difficult to lock. Further grinding on the latch plate is required. Mike Zimmerman offered the use of a generator to use power tools at the gate. Neil Giggins to follow up.

Warbirds: An 8 page spread on Warbirds 2008 was published in Aviation Modeller International (April issue). This represents a great publicity coup for KAMS and the Warbirds organizers.

AGM: Ken Wansborough agreed to do the awards for the year 2008/2009.

Noise: President summed up the ethos behind the referendum to be held on the DB levels emitted by KAMS activities. Members are urged to return their ballots ASAP so results are available at the May 09 General Meeting. President to consult with Pat Pinder and Ian Johnson to formulate letter to lawyers to address motion put to February General Meeting.

General Business

Pylon organizing group sought clarification on KAMS position regarding the proposed AWA State Q500 racing event at KAMS on May 23 between 1pm and 5pm. Committee expressed disquiet at the potential problems running this event could cause the club. While ALL committee members unanimously support pylon racing it was felt that holding this event could jeopardize the club's standing with our neighbors and council. It was further resolved (reluctantly) that this event be postponed. Secretary to convey the committee decision to MPRAWA and AWA.

It was noted by treasurer Clint West that club member Bruce Jennings passed away on the second May 2009. On behalf of KAMS, the Committee expresses its deepest sympathy to Bruce's wife Sue and his Son Adrian at the loss of their husband and Father.

Instructor Course: An AWA instructors course is to be held in July. Expressions of interest sought. Please contact Greg Russell-Brown (AWA CFI) for more info.

The AWA agenda for the special general meeting was tabled. President to contact our AWA delegates to discuss KAMS position on matters arising.

IF YOU DON'T COME TO DEMOCRACY

DEMOCRACY WILL COME TO YOU

WITNESS DEMOCRACY IN ACTION!

..Tell us what you really think... No, Seriously, We mean it! All of the events that shape the future of the club we know and love are in your hands. Everyone has equal standing in the club, and if you're not there to voice your opinion, you've only yourself to blame if you don't like the way the club is run. It's a democracy, but you have to be there to have your say. So: **HAVE YOUR SAY!**

**When you see the really, really BIG model spitfire, looming out of the darkness, you're there!
Refreshments are provided, and there's always time for a good yak afterwards.**
